FAX 743-3483

Dear Parents,

Again this year St. Mary's will be participating in the FACTS Grant and Aid Assessment Program. Based on the information provided, FACTS provides a financial need analysis which allows us to allocate financial aid fairly and objectively.

If you anticipate that you will need tuition assistance for the 2008-2009 school year, you must complete a FACTS application by Friday, March 28. Those families who have internet access will find it very convenient to apply online at www.factstuitionaid.com

Included in this packet is an envelope for you to mail the following:

1. \$20.00 per family application fee
2. Copies of your most recent tax forms (either 2006 or 2007), including all supporting tax schedules.
3. Copies of your 2007 W-2 form for both you and your spouse.
4. Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation and TANF.

Also included in the packet are instructions for on-line application and a paper application form for those who prefer not to use the on-line method.

All the necessary information must be provided before applications can be processed. Incomplete applications may result in your family not receiving financial aid.

Please note that St. Thomas Aquinas also uses the FACTS Grant and Aid Assessment Program. If you have children in both schools it is only necessary to apply once and pay one application fee.

If you have any questions, please feel free to call Mr. Hall in the business office.

Yours in peace,

Mrs. Reese
